

Index for Rachael Ray's "30-Minute Meals"

Prepared by Dave Liske, Tecumseh, Michigan, April 2003

This is an unofficial index for Rachael Ray's "30-Minute Meals" (Copyright 1998, Lake Isle Press, ISBN 1891105035). Ms. Ray had no part in the compilation of this index and, as far as I know, has not seen it.

The preparation of this index came from my own desire to have an index for my copy of the book. I've decided to release this publicly for the benefit of the book's other readers.

"30-Minute Meals" was published without an index. This makes it somewhat cumbersome when it comes to locating a recipe I may have prepared in the past. There are what may be termed "section headers" throughout the Table of Contents, however they can be difficult to use for locating a specific recipe as well.

Some additions for the book's Table of Contents have been inadvertently found through the preparation of this index. While the seventh batch of recipes in the "Great Gatherings" section were included in the book's Table of Contents (this is the "Five Fabulous Meatballs" section), the recipes for the first six menus were not. The titles and locations of these 26 recipes are included throughout this index.

This index is in four sections:

1. Complete "Great Gatherings" Contents Listing, page 2
A complete listing of the 32 recipes in the "Great Gatherings" section as they may have appeared in the book's Table of Contents.
2. Alphabetical Recipe Listing, page 3
A listing of all the recipes in the book in alphabetical order.
3. Subject Index, page 6
A standardized index for the book as it may have appeared inside the book's back cover.
4. Further Readings, Viewings, and The Knife, page 12
A listing of Ms. Ray's other works, including information on her favorite knife.

This may very well turn into a continuous "work-in-progress" depending on how I use it, what other readers think of it, and of course, if Ms. Ray ever sees it. In view of this, please send corrections and suggestions to delmar@mvps.org.
